

Our polished new metals product has arrived

TRAVELERS CANADA | INDUSTRYEDGE® FOR METAL PRODUCTS MANUFACTURERS

Realizing the unique needs of specialized manufacturers, Travelers Canada has developed a specific product for metal products manufacturers. We understand the many challenges that metal products manufacturers face, such as tough foreign competition and ever-changing technology. With our comprehensive package of core and specialized lines of coverage, metal products manufacturers can rest easy knowing that equipment and income are protected in the event of a loss. Combined with our sophisticated risk control and claims management, we can help reduce risks and manage product liability costs.

IndustryEdge® for Metal Products Manufacturers is based on extensive research and years of experience. The result is a product that is flexible, competitive and designed to reward well-run businesses.

Travelers Canada. Providing middle-market industries with a competitive edge.
